Product Overview

Rugged Off-Road Protection

This heavy-duty black rear bumper is engineered for off-road vehicles, providing superior protection and an aggressive aesthetic. Constructed from high-strength steel with a durable powder-coated finish, it is built to withstand harsh conditions and resist corrosion. The design features integrated LED light ports and functional cutouts, making it a versatile upgrade for various vehicle models.

Design & Construction

Material	High-strength steel
Finish	Powder-coated
Key Design Elements	Diamond-cutout design, Integrated step, Recessed LED ports, Corrosion-resistant

Compatibility & Installation

Fitment	Universal
Installation	Uses existing mounting points
