

Blue and Silver 125cc Dirt Bike for Off-Road

This dirt bike is designed for off-road adventures. It features a robust engine and sturdy suspension system.

Product Overview

Rugged Performance for Off-Road Adventures

The WV-DB-009 is a compact 125cc dirt bike designed for off-road recreation. Engineered with a reliable 4-stroke, air-cooled engine, it offers both electric and kick-start options with a manual clutch for responsive control. Its durable build, combined with disc braking and high ground clearance, makes it an ideal choice for maneuvering through varied terrain.
