

Blue LED Icicle Christmas Light

This is a decorative blue icicle-shaped Christmas light. It features a clear plastic housing with embedded LED lights that create a shimmering effect.

Product Overview

Elegant Holiday Illumination

Enhance your holiday displays with these stunning blue LED icicle lights. Designed to mimic the appearance of natural frozen icicles, these lights feature a clear housing that beautifully diffuses the blue LED glow. They are versatile enough for both indoor and outdoor festive decorations, providing a shimmering, professional-grade lighting effect.
