

Blue Street Motorcycle with Single-Cylinder Engine

This motorcycle is designed for street use and features a single-cylinder engine. It has a classic aesthetic with a round headlight, comfortable seating, and a rear luggage rack.

Overview

Classic Street Performance

This blue street motorcycle combines a timeless aesthetic with reliable mechanical performance. Featuring a robust single-cylinder engine and an air-cooled design, it is built for durability and ease of maintenance. With practical additions like a rear luggage rack and a comfortable seating position, it serves as an excellent choice for daily commuting and urban transport requirements.
