

Blue Urban Commuter Motorcycle

This motorcycle is designed for urban commuting and recreational riding. It features a sporty fuel tank, front and rear disc brakes, and a traditional instrument cluster.

Overview

Designed for the Urban Commuter

This blue urban commuter motorcycle is engineered for efficiency and comfort in city environments. Featuring a standard riding posture and a sporty fuel tank design, it balances ergonomics with aesthetic appeal. Equipped with reliable front and rear disc brakes, it ensures responsive stopping power for safe daily travel.
