

Brass Angle Valve with 3/4" Outlet

This angle valve is designed for plumbing applications. It is approved by ISO9001 and CE standards.

Product Overview

Professional Grade Brass Angle Valve

This durable brass angle valve is engineered for reliable water flow control in both residential and commercial plumbing systems. Featuring a high-quality chrome-plated finish and a robust brass core, it offers excellent corrosion resistance and longevity. Designed to meet international standards, this valve is an ideal solution for maintaining efficient plumbing infrastructure.

Technical Specifications

Material Composition	Brass Body, Chrome Plated, Polished Finish, Zinc Handle
Maximum Pressure	10 bar
Minimum Operating Temperature	-10 °C
Suitable Medium	Water
Pipe Thread Standard	ISO-228-1:2000

Dimensions & Configuration

Available Size Configurations

- 1/2" x 3/8"
- 1/2" x 1/2"
