

# Brass Ball Valve with Aluminum Butterfly Handle

This brass ball valve features a full bore and is rated to PN40. It comes with an aluminum butterfly handle and is available in sizes from 1/2"IPS x 80mm to 1/2"IPS x 120mm.

## Product Overview

### High-Performance Brass Ball Valve

This durable brass ball valve is engineered for reliable flow control in demanding industrial and residential applications. Featuring a full bore design for maximum flow capacity and a robust aluminum butterfly handle for easy operation, it ensures efficient performance under pressure. Rated at PN40, this valve is built to withstand rigorous operating conditions while maintaining a compact footprint.

## Technical Specifications

Pressure Rating	PN40
Body Material	Brass
Handle Material	Aluminum
Bore Type	Full Bore
Nominal Diameter (DN)	15

## Available Configurations

### Size and Dimension Matrix

Size	Length (mm)	Height (mm)	Qty/Ctn
1/2"IPS x 80mm	160	45	50
1/2"IPS x 100mm	180	45	50
1/2"IPS x 120mm	200	45	50
