

Brass Ball Valve with Aluminum Handle

This ball valve is constructed from brass and includes a full bore. It features an aluminum handle and comes in sizes ranging from 1/4" to 1/2".

Art. TS 2460				
Brass ball valve	Full bore		Aluminum handle	
Size	DN	Length	Height	Qty/Ctn
1/4"	8	40	37	300
3/8"	10	40	37	300
1/2"	15	46	41	252

Product Overview

High-Performance Brass Ball Valve

This durable brass ball valve features a full bore design, ensuring optimal flow capacity for industrial and commercial plumbing applications. Equipped with a robust aluminum handle for reliable manual operation, this valve is engineered for longevity and ease of use. It is available in multiple sizes to accommodate various piping requirements, making it a versatile component for your fluid control systems.
