

Brass Hose Quick Connector

This brass hose connector is designed for quick and secure connections between hoses. Its durable brass construction ensures corrosion resistance and long-lasting performance.

Product Overview

Professional Grade Brass Connector

This brass hose connector is engineered for quick, secure, and reliable fluid transfer connections. Constructed from durable brass, it offers excellent corrosion resistance, ensuring long-lasting performance in demanding environments. Its user-friendly design allows for easy installation and removal, while the ribbed exterior provides a firm, ergonomic grip during operation.

Technical Specifications

Material	Brass
Key Features	Corrosion Resistant, Quick Connect, Leak-Free, Ribbed Grip

Applications

Suitable Applications

- Garden hoses
- Irrigation systems
- Fluid transfer setups
