

Brushed Nickel Ceiling Fan with Light

This ceiling fan features a brushed nickel finish and three dark wooden blades. It includes an integrated light fixture, providing both cooling and illumination.

Product Overview

Modern Comfort and Efficiency

This brushed nickel ceiling fan combines contemporary aesthetics with functional cooling and illumination. Designed with three dark wooden blades and an integrated light fixture, it offers a stylish solution for various interior spaces. Beyond its visual appeal, the fan is engineered to enhance air circulation, helping to optimize climate control and reduce energy consumption significantly when paired with air conditioning systems.

Design & Aesthetics

Finish	Brushed Nickel
Blade Material	Dark Wood
Number of Blades	3

Energy Efficiency

Energy Savings Analysis

AC Capacity (P Number)	Rated Power (W)	Daily Saving (\$)
1P	1200	2.622
2P	2200	5.182
3P	3100	7.486

Energy Saving Potential	40% or more
