

# Brushless Cordless Power Drill

This cordless drill features a brushless motor for enhanced performance and durability. Its variable speed control allows for precise operation, while its ergonomic design ensures comfortable handling during prolonged use.

## Overview

### Professional Cordless Performance

This brushless cordless drill is engineered for versatility and durability in demanding drilling and fastening applications. Featuring an advanced brushless motor, it offers extended runtime and consistent power compared to traditional brushed alternatives. Its compact, ergonomic design and integrated LED lighting ensure precision and comfort, even in tight or dimly lit workspaces.

## Technical Specifications

### Maximum Torque

**50 N.m**

Max Torque

### No-load Speed

- 0-500 rpm (Low)
- 0-1600 rpm (High)

### Voltage

20 V

### Chuck Capacity

13 mm

### Clutch Settings

17

## Battery & Charging

### Compatible Battery Capacities

1.5A, 2.0A, 4.0A

### Charging Time

1 hour (fast) / 3-5 hours (standard)

## Features

### Product Highlights

Brushless Motor • Variable Speed Control • Integrated LED Light • Ergonomic Grip
