

# BSMI Certified Power Cord

This power cord is BSMI certified, complying with CNS standards. It ensures a reliable power connection for electronic devices.

## Product Overview

### BSMI Certified Power Cord Set

This non-detachable power cord set is engineered for safety and reliability, meeting rigorous quality standards. It is officially BSMI certified, ensuring compliance with CNS15, CNS 498, and CNS 7-1 regulations. Designed for professional electrical applications, this component provides a secure and stable power connection.

## Technical Specifications

### Electrical Rating

**15 A**

Rated Current

**125 V**

Rated Voltage

### Available Models

YS-27, YS-27A, YS-28

### Configuration

2P+E (2-Pole + Earth)

## Compliance & Certification

### Standards Met

- CNS15 (Fifth Section)
- CNS 498
- CNS 7-1

### Certification Details

Attribute	Value
Registration Number	R31945
