

Burgundy and Black Electric Scooter with Rear Storage

This electric scooter features a two-tone burgundy and black color scheme and a rear storage box. It is equipped with a step-through frame, chrome accents, and integrated lights.

Overview

Stylish Urban Mobility

This electric scooter combines a distinctive two-tone burgundy and black aesthetic with practical urban utility. Designed for comfort and convenience, it features a step-through frame, a padded seat, and an integrated rear storage box for everyday errands. With chrome accents and unique star-shaped wheel designs, it offers a sophisticated look without compromising on functional features like integrated lighting and rearview mirrors.
