

C Size Alkaline Battery LR14 1.5V

C size alkaline battery provides 1.5V of power. It is suitable for various electronic devices requiring C-size batteries, delivering reliable, long-lasting performance ideal for high-drain devices.

Product Overview

Reliable Power Solution

This C-size alkaline battery is engineered to deliver consistent and long-lasting performance for a variety of electronic devices. Designed specifically for high-drain applications, it provides the steady voltage required to keep equipment running efficiently. It is a versatile power source suitable for professional and consumer electronics alike.

Technical Specifications

Battery Size	C (LR14)
Nominal Voltage	1.5 V
Chemistry	Alkaline
Model Number	ZL-302B

Safety & Compliance

Safety Warnings

- Do not recharge
- Do not dispose of in fire
- Dispose of properly

Country of Origin	China
