### Model Comparison

Model	Wattage	Dimensions	Power Factor
C35-2W	2	35*97mm	>0.45
G35-4W	4	35*97mm	>0.5
C35-TAIL-2W	2	35*117mm	>0.45
G35-TAIL-4W	4	35*117mm	>0.5

## General Features

### Electrical Characteristics

- Voltage: 220-240V
- Color Temperature: 2700-6500K
- Flicker-free operation

### Design Features

Candle Shape, Clear Glass, Vintage Filament, Energy Efficient
