

# C5 Cloverleaf Connector

This C5 cloverleaf connector is suitable for various electric appliances. It holds UL/CUL, VDE, SAA, CCC, and ASTA certifications.

## Product Overview

### C5 Cloverleaf Connector

The C5 connector, widely recognized as a cloverleaf or Mickey Mouse connector, is a standard power interface designed for reliable connectivity. Featuring a distinct three-pin triangular configuration, this component is essential for powering laptop computers, portable projectors, and various other electronic devices. Built for durability and secure performance, it accommodates standard detachable power cords to ensure consistent power delivery.

## Technical Specifications

### Rated Current

**2.5 A**

Rated Current

**10 A**

Max Current

### Rated Voltage

**125 V**

Low Voltage

**250 V**

High Voltage

Model Number	XR-508
Standard	IEC60320-1
Available Colors	Customizable upon request

## Certifications

Approvals	UL, CUL, VDE, SAA, ASTA
