

# Canister Vacuum Cleaner with Automatic Cord Rewinder

This canister vacuum cleaner features speed control on the body and a hose with 360° swivel rotation. It is equipped with an accessories compartment, a full bag indicator, a 5-filter system, a pedal on/off switch, and an automatic cord rewinder.

## Product Overview

### Professional Performance Canister Vacuum

The BST-817 canister vacuum cleaner is engineered for efficiency and ease of use in professional environments. Featuring an advanced 5-filter system and high-durability construction, it ensures effective debris management and air quality control. The ergonomic design includes a 360-degree rotating hose and an integrated cord rewinder, making it a reliable solution for high-traffic maintenance tasks.
