

Canister Vacuum Cleaner with Automatic Cord Rewinder

This canister vacuum cleaner is equipped with speed control and a hose swivel that rotates 360 degrees. It also features an accessories compartment, a full bag indicator, and a pedal on/off switch with automatic cord rewinder.

Product Overview

Professional Cleaning Performance

The BST-808 canister vacuum cleaner is engineered for efficiency and ease of use in professional environments. Featuring intuitive speed control on the unit body and a 360° swiveling hose, it offers exceptional maneuverability and cleaning precision. The integrated automatic cord rewinder and convenient pedal switch streamline operation, while the full bag indicator ensures consistent performance.
