

# Carabiner Clip Calculator

This compact calculator is designed with a carabiner-style clip for easy attachment to various items. It features a clear LCD display, standard arithmetic functions, memory functions, percentage calculation, and an on/off switch.

## Overview

### Compact Carabiner Calculator

This portable electronic calculator features a unique carabiner-style design, allowing it to be easily attached to keychains, backpacks, or belt loops for convenient on-the-go use. It is equipped with an 8-digit LCD display and standard arithmetic functions, including memory capabilities and percentage calculations. Housed in a durable, translucent plastic casing, it provides a practical and modern solution for basic calculation needs.
