

Cargo Transport Tricycle

This heavy-duty tricycle is designed for transporting goods. It features a robust frame, a large cargo bed with side rails, and a liquid-cooled engine.

Overview

Robust Cargo Solutions

The UW200ZH cargo transport tricycle is engineered for heavy-duty goods transportation in demanding environments. Featuring a reinforced frame and a high-capacity cargo bed with integrated side rails, it offers exceptional durability for professional logistics. Its liquid-cooled engine ensures consistent performance and reliability for long-duration operation.

Technical Specifications

Cooling System	Liquid-cooled
Model ID	UW200ZH

Key Features

Design Highlights	Heavy-duty frame, Cargo bed with side rails, Ergonomic seating
