

Carpenter Pencil Set, 10-Piece

This set includes ten carpenter pencils for marking wood and other materials. The pencils have a flat, rectangular shape for an easy grip and to prevent rolling.

Product Overview

Professional Carpenter Pencil Set

This 10-piece carpenter pencil set is designed for reliable marking on wood and rough construction materials. Featuring a distinct oval shape, these pencils offer an ergonomic grip and are specifically engineered to prevent rolling on uneven surfaces. The durable HB lead ensures clear, consistent marks, making this an essential tool for woodworking, construction, and general trade applications.
