

Cat Face Novelty Umbrella

This is a novelty umbrella designed to resemble a cat's face. It features a bright yellow canopy, cat-ear shaped protrusions at the top, and a red bow detail.

Product Overview

Playful Design Meets Practicality

This Cat Face Novelty Umbrella brings a touch of whimsy to rainy days with its vibrant yellow canopy and charming feline-inspired aesthetic. Designed with attention to detail, it features cat-ear protrusions, a decorative red bow, and printed facial features including whiskers and eyes. Its standard construction ensures reliable performance while providing a unique and eye-catching accessory for daily use.
