

CAT6 Unshielded RJ45 Patch Cord

This CAT6 unshielded patch cord features a high-quality PC crystal head. The transparent tail sleeve adds an aesthetic touch.

Product Overview

High-Performance CAT6 Connectivity

This CAT6 unshielded patch cord is engineered for reliable, high-speed data transmission in professional networking environments. Featuring gold-plated RJ45 connectors and a durable construction, it ensures optimal signal integrity for routers, switches, and computers. The cable is built to meet rigorous industry standards, providing flexibility and corrosion resistance for long-term use.
