Product Overview

High-Performance European Power Connectivity

This CEE7/7 Schuko to IEC 60320 C19 power cord is engineered for reliable power delivery in European electrical environments. Designed to meet rigorous safety standards, it is an ideal solution for high-power equipment, including servers, computers, and professional IT infrastructure. With flexible customization options for cable length and color, this cord provides a secure and standardized connection for demanding professional applications.

Technical Specifications

Plug Type	CEE7/7 Schuko
Connector Type	IEC 60320 C19
Maximum Voltage	250 V

Compliance & Certification

Certifications

VDE • CE • RoHS • REACH

Customization & Availability

Customization	Custom Color, Custom Length
Minimum Order Quantity	2000
Samples Available	Yes

Cable Standards

Supported Cable Standards

- H03VV-F 3G0.5-0.75
- H05VV-F 3G0.75-2.5
- H03RT-F 3G0.75-1.0
- H05RR-F 3G0.75-1.5
- H05RN-F 3G0.75-1.0
