

# Ceiling Fan with Integrated Light

This ceiling fan provides both cooling and lighting. It features five wooden blades, a decorative bronze-colored motor housing, and a lighting fixture with frosted glass shades.

## Product Overview

### Elegant Dual-Function Ceiling Fan

This ceiling fan combines efficient air circulation with integrated ambient lighting, making it an ideal choice for indoor residential or commercial spaces. Featuring five wooden blades and a classic bronze-colored motor housing, it offers a sophisticated aesthetic while providing reliable cooling. The integrated lighting fixture, equipped with five frosted glass shades, ensures even illumination, blending functionality with decorative appeal.
