

Ceiling Fan with Light

This ceiling fan provides air circulation and ambient lighting. It features five wooden blades and a central lighting fixture with three frosted glass lamps.

Product Overview

Elegant Ceiling Fan with Integrated Lighting

This ceiling fan combines functional air circulation with ambient lighting, making it an ideal choice for residential or commercial interior spaces. Featuring five dark-stained wooden blades and a classic brass-colored motor housing, it offers a sophisticated aesthetic. The central lighting fixture includes three frosted glass lamps that provide soft, diffused illumination, perfect for creating a comfortable atmosphere.
