

Ceiling Fan with Light

This ceiling fan provides air circulation for indoor spaces. It also features an integrated light fixture with a spherical white glass cover.

Product Overview

Stylish Ceiling Fan with Integrated Lighting

This ceiling fan combines functional air circulation with ambient lighting, making it an ideal choice for residential or light commercial spaces. The design features four distinct orange, oval-shaped blades that provide efficient airflow while adding a touch of color to your interior. Equipped with a central spherical white glass light fixture, it serves as a dual-purpose solution for cooling and illumination.
