

# Ceiling Fan with Light

This electrical fan provides air circulation. It also includes a central light fixture with a frosted glass shade.

## Product Overview

### Versatile Ceiling Fan with Integrated Lighting

This ceiling fan combines efficient air circulation with functional illumination, making it an ideal choice for indoor spaces. Featuring four durable wooden blades and a polished chrome motor housing, it offers a classic aesthetic that complements various interior styles. The integrated frosted glass light fixture provides soft, ambient lighting, while the pull-chain operation ensures simple and reliable control for daily use.

## Design & Materials

Blade Material	Wood
