

Ceiling Mount Ventilation Fan with Protective Cage

This ceiling-mounted unit combines ventilation and air circulation. The fan features a protective wire cage and is suitable for residential or commercial applications.

Product Overview

High-Efficiency Ventilation Solution

This ceiling-mounted electrical fan is engineered for optimal air circulation and extraction in both residential and commercial settings. Featuring a robust protective wire cage, it ensures user safety while maintaining high airflow efficiency. Its compact, direct-to-ceiling mounting design makes it an ideal space-saving choice for environments requiring consistent ventilation.

Design & Construction

Mounting Style	Ceiling-mounted
Safety Features	Protective Wire Cage, Enclosed Motor Housing
Blade Configuration	Circular blade design

Performance

Suitable Applications

- Residential ventilation
- Commercial air extraction
- General air circulation

Primary Functions

Ventilation • Air Circulation • Extraction
