

Ceiling Mounted Exhaust Fan

This ceiling-mounted exhaust fan is designed for ventilation purposes. It features a circular design with a white plastic housing and a gold-colored central grille.

Product Overview

High-Efficiency Ventilation Solution

This ceiling-mounted exhaust fan is engineered to provide effective air circulation and ventilation for various interior environments. Featuring a durable, multi-tiered white plastic housing, it combines functional performance with a clean, modern aesthetic suitable for professional and residential settings. The unit is designed for easy installation and reliable operation, ensuring consistent airflow through its specialized radial grille pattern.
