

Ceramic Hair Straightening Iron

Professional hair straightener designed for smooth and sleek styling. It features ceramic-coated plates for even heat distribution and reduced hair damage.

Overview

Professional Ceramic Styling

This professional hair straightening iron is engineered for efficient and smooth styling, utilizing advanced PTC heating technology for consistent results. Designed with a 360° swivel cord and a lockable handle, it offers both flexibility and ease of storage for salon or personal use. The ceramic-coated plates ensure even heat distribution, helping to minimize hair damage while achieving a sleek finish.
