Product Overview

Professional Engine Gasket Set

This complete engine gasket set is designed for CF 125/250 series engines, providing a comprehensive sealing solution for engine rebuilds. Manufactured with advanced non-asbestos Armstrong materials, these gaskets are engineered to withstand high pressure and offer superior oil resistance. The set ensures optimal performance and a tight seal, eliminating the need for additional liquid sealants or compounds during installation.

Compatibility

Supported Engine Models

CF250, CH250, CF125

Technical Features

CFMOTO
CF 125/250

High Quality Parts & Kits by Nihao Motor

Complete gasket set including all necessary seals for full engine maintenance.

Key Performance Features

- High pressure resistance
- Oil resistance
- Advanced chemical and mixture treatment

Material Composition

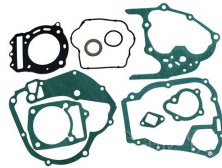

Non-asbestos Armstrong material

Installation Requirements

No additional engine fluid (gum) or shellac compound required

Application

CFMOTO
CF 125/250

High Quality Parts & Kits by Nihao Motor

High-quality, non-asbestos gaskets designed for optimal heat and pressure resistance.

Compatible Vehicles

- ATVs
- Quads
- Motorcycles
