

Chainsaw Blade Sharpener

This is a chainsaw sharpener. It keeps chainsaw blades in optimal cutting condition.

Overview

Precision Chainsaw Maintenance

This professional-grade chainsaw blade sharpener combines precision engineering with durable construction to ensure your equipment stays in peak condition. Featuring a powerful induction motor and versatile grinding capabilities, it handles chain maintenance with ease and accuracy. The integrated work light and adjustable angle settings allow for safe, consistent sharpening results every time.

Technical Specifications

Grinding Disc Sizes

- 3.2 mm
- 4.5 mm

Mains Supply	230 V~50 Hz
Power Output	235 W
No-load Speed	3000 min

Key Features

Key Features

Built-in Work Light • Induction Motor • Top Plate Angle Setting • Down Angle Setting
