

Character-Themed Children's Bicycle

This bicycle is designed for children and features character graphics. The bike has a black frame with yellow accents.

Product Overview

Vibrant Character-Themed Design

This children's bicycle features an eye-catching yellow and black theme inspired by iconic animation. Designed for young riders, it incorporates character graphics across the frame, wheels, and chain guard. The bike combines a durable black frame with striking yellow accents on the handlebars, seat, and wheel rims for a cohesive, stylish look.
