

Children's Bicycle with Fenders and Rear Rack

This children's bicycle features a sturdy frame, comfortable seat, and durable tires. It is equipped with front and rear fenders and a rear rack.

Product Overview

Designed for Young Riders

This children's bicycle is engineered for safety, durability, and ease of use, making it an ideal choice for young riders who are learning to balance and pedal. The sturdy frame construction ensures longevity, while the inclusion of front and rear fenders provides essential protection from debris. Additionally, the integrated rear rack offers practical utility for carrying small items during rides.
