

Children's Bicycle with Training Wheels

This is a children's bicycle equipped with training wheels, ideal for beginner riders. It features a step-through frame, front and rear fenders, and a padded seat for comfortable riding.

Product Overview

Designed for Young Riders

This children's bicycle is engineered with safety and comfort in mind, featuring a step-through frame for easy mounting and dismounting. Equipped with stable training wheels, it provides the necessary support for beginners developing their balance and cycling skills. The bike includes practical additions like front and rear fenders, a padded seat, and a rear rack, making it a versatile choice for young riders.
