

Children's Garden Gloves with Seahorse Design

These children's garden gloves are designed to protect small hands during gardening and outdoor play. The gloves feature a knit construction and a seahorse embroidery design.

Product Overview

Designed for Little Gardeners

These children's garden gloves are specially crafted to protect young hands during outdoor activities and gardening tasks. Featuring a cheerful seahorse design, they combine practical protection with a fun, engaging aesthetic that kids will love. The knit construction ensures comfort and flexibility for active play.
