

Children's Orange Bicycle with Training Wheels

This children's bicycle has an orange frame with black accents. It includes training wheels, a front basket, and a rear carrier.

Product Overview

Designed for Young Riders

This children's bicycle is engineered to provide a safe and enjoyable learning experience for young riders. Featuring a vibrant orange frame with contrasting black accents, it is built with stability in mind, including reliable training wheels to assist with balance. The design incorporates practical storage solutions, making it a versatile choice for both play and short trips.
