

# Children's Red and White Tricycle with Push Handle

This tricycle is designed for young children learning to ride. It features a sturdy steel frame, durable tires, a comfortable seat, and a long push handle for parents.

## Overview

### Classic Children's Learning Tricycle

This red and white tricycle is designed specifically for young children learning to ride, featuring a low center of gravity for enhanced stability. It is constructed with a sturdy steel frame and durable tires to ensure long-lasting use during outdoor play. The inclusion of a long push handle allows parents to easily assist and guide young riders as they build confidence.
