

# Children's Step-Through Frame Bicycle

This children's bicycle features a step-through frame, ideal for young riders. It includes a comfortable saddle, upright handlebars, front and rear fenders, a rear rack, and a bell.

## Product Overview

### Designed for Young Riders

This children's bicycle features a user-friendly step-through frame design, making it easy for young riders to mount and dismount safely. Built with a durable steel frame and a simple single-speed drivetrain, it offers a reliable and low-maintenance riding experience. The bike comes fully equipped with essential safety and convenience features, including a bell, fenders for splash protection, and a rear rack for carrying small items.
