

# Children's Tricycle with Step-Through Frame

This tricycle is designed for young children. It features a step-through frame and high-rise handlebar.

## Product Overview

### Designed for Early Riders

This children's tricycle is engineered with a user-friendly step-through frame, making it accessible and safe for young children learning to ride. Featuring a vibrant color palette of blue, yellow, and black, it combines durability with an engaging design. The high-rise handlebar configuration ensures comfortable handling, providing stability and confidence for beginners as they develop their motor skills.
