

Child's Tricycle with Push Bar

This tricycle is designed for young children learning to ride. It features a durable frame, comfortable seat, and easy-grip handlebars.

Product Overview

Euro Style Tricycle

The DR207 is a sturdy tricycle designed for young children learning to ride, featuring a durable frame and comfortable seat. It includes an integrated push bar that allows parents to assist and guide their child's initial riding experience, promoting balance and coordination. With solid rubber wheels and a convenient rear basket, this tricycle is built for both durability and practical use.
