

Christmas Tree Projection Night Light

This decorative night light features a clear, cone-shaped housing with an embedded Christmas tree design. The light projects the tree pattern onto surrounding surfaces, creating a festive ambiance.

Product Overview

Festive Projection Lighting

This Christmas Tree Projection Night Light is a decorative lighting solution designed to create a festive atmosphere. Featuring a clear, cone-shaped housing with an embedded tree design, it projects intricate patterns onto surrounding surfaces. The solid, faceted base ensures stability, making it a perfect choice for holiday decor or as a gentle, ambient night light.
