

Chrome Bicycle Bell

This classic bicycle bell features a polished chrome finish. It has a lever-activated striker and adjustable clamp for handlebar mounting.

Product Overview

Classic Chrome Bicycle Bell

Enhance rider safety and style with this classic bicycle bell, featuring a polished chrome finish that complements any bike frame. The dome-shaped resonator is engineered to produce a clear, audible sound, ensuring pedestrians and other cyclists are alerted effectively. Designed for practicality, it includes an adjustable clamp for easy handlebar mounting and is constructed from durable metal to withstand daily use and environmental exposure.
