

# Chrome Pedestal Fan with Mesh Grill

This pedestal fan features a polished chrome finish on the base, stand, and motor housing. The fan head has a fine mesh grill for safety.

## Product Overview

### Professional Chrome Pedestal Fan

This premium chrome pedestal fan is designed for high-performance air circulation in professional environments. Featuring a robust circular base and an all-metal polished chrome finish, it combines industrial durability with a clean, modern aesthetic. The integrated fine mesh grill ensures safety during operation, while the conveniently located controls on the support column provide effortless airflow management.
