

Chrome Personal Electric Fan

This compact electric fan features a chrome-finished metal cage for safety. The fan has a multi-blade design for efficient airflow and is supported by a sturdy metal frame with rubber feet for stability.

Product Overview

Compact Cooling Solution

This personal electric fan features a durable chrome-finished metal cage, ensuring both safety and long-lasting performance. Designed for personal use, its multi-blade configuration delivers a focused and efficient stream of air for effective cooling and ventilation. The unit is built for stability, utilizing a sturdy metal frame equipped with non-slip rubber feet.
