

Chrome Plated Brass Angle Valve

This angle valve is constructed from brass and features a chrome finish. It allows for the precise control of water flow in plumbing systems.

Product Overview

Professional Grade Angle Valve

This high-quality chrome-plated brass angle valve is engineered for reliable water flow control in both residential and commercial plumbing systems. Featuring a durable brass body with a polished chrome finish, it offers excellent corrosion resistance and long-lasting performance. The valve is designed to withstand pressures up to 10 bar, ensuring safety and efficiency in standard water applications.

Technical Specifications

Max Pressure

10 bar

Max Pressure

Materials	Brass Body, Chrome Plated, Polished Finish, Zinc Handle
Temperature Rating	-10 °C
Thread Standard	ISO-228-1:2000
Suitable Medium	Water
