

Chrome Plated Brass Angle Valve

This angle valve is designed for plumbing applications. It is constructed from solid brass with a chrome finish and features a quarter-turn handle for easy on/off control.

Product Overview

Professional Grade Angle Valve

This chrome-plated brass angle valve is engineered for reliable water flow control in plumbing systems. Featuring a durable brass body with a polished chrome finish, it offers excellent corrosion resistance and longevity. Designed for easy installation and maintenance, this valve provides a dependable shut-off mechanism for fixtures such as faucets and toilets.
