

Chrome-Plated Manual Faucet Handle with Blue Accent

This is a chrome-plated faucet handle designed for manual operation. It features a cylindrical body with vertical ridges for improved grip and a circular top with a blue accent ring.

Product Overview

Premium Manual Faucet Handle

This chrome-plated manual faucet handle is engineered for durability and reliable performance in various plumbing applications. Featuring a sleek cylindrical body with vertical ridges, it offers an enhanced grip for smooth operation. The design is completed with a distinct blue accent ring, providing a clear visual indicator.
