

Chrome Side Bar Step Assist for Jeep Wrangler

This chrome side bar step assist is designed for Jeep Wrangler. It features a polished chrome finish and non-slip step pads for enhanced safety and convenience.

Product Overview

Rugged Utility and Style

Enhance the functionality and appearance of your vehicle with this premium chrome side bar step assist. Designed specifically for the Wrangler, it provides a stable platform for easier entry and exit while acting as a robust shield for your vehicle's rocker panels. The polished chrome finish offers a sophisticated aesthetic, while the integrated non-slip pads ensure safety in all weather conditions.
